NOMINATIONS

Council at its 3 February meeting extended the term of Councillor Catherine Chaffey until May 2027.

The call for nominations to Council was issued on 12 February to all member clubs to the email address on the Register of Members. Nominations were open from 13 February until 6 March.

Nominations were received from Phil Glover (Wagga Wagga Bridge Club), Chris Hamam (Randwick Bridge Club) and Terry Simmons (Easts Bridge Club).

Three current Councillors whose term expires in May 2026 did not nominate to serve again on the Council. These are Lynleigh Evans (Southern Highlands), Noreen Grant (Commercial Club Albury Bridge Club), and Ted Popper (Easts Bridge Club).

No election was held because there are as many available positions as nominations, so those nominating will be proposed at the Annual General Meeting to be held on 12 May for appointment to the Council for a two-year term.
